SCHOLARS OF THE WEEK FOR 2011-2012

Erik Westman of the mining and minerals engineering department in the College of Engineering

Geoffrey Vining of the statistics department in the College of Science

Henry Quesada-Piñeda of the wood science department in the College of Natural Resources

Mitsuhiro Murayama of the materials science and engineering department in the College of Engineering

Dane Webster of the School of Visual Arts in the College of Architecture and Urban Studies

Matthew Gabriele of the history department in the College of Liberal Arts and Human Sciences

Chris Roberts of the biomedical sciences and pathobiology department in the College of Veterinary Medicine

Ivica Ico Bukvic of the music department in the College of Liberal Arts and Human Sciences

James C. Klagge of the philosophy department in the College of Liberal Arts and Human Sciences

F. William “Bill” Pierson of the large animal clinical sciences department in the College of Veterinary Medicine

Dorothea Tholl of the biological sciences department in the College of Science

Kathleen Parrott of the apparel, housing, and resource management department in the College of Liberal Arts and Human Sciences

Elankumaran Subbiah of the virology department in the College of Veterinary Medicine

Bill Woodall of the statistics department in the College of Science

Tony Wolf of the horticulture department in the College of Agriculture and Life Sciences

Susan Williams White of the psychology department in the College of Science

JoAnn Emmel of the apparel, housing, and resource management department in the College of Liberal Arts and Human Sciences

Brenda Davy of the human nutrition, foods, and exercise department in the College of Agriculture and Life Sciences

Debbie Kelly of the biological sciences department in the Virginia Tech Carilion Research Institute (VTCRI)

Jyoti “Tina” Savla of the human nutrition, foods, and exercise department in the College of Agriculture and Life Sciences

Jim Westwood of the plant pathology department in the College of Agriculture and Life Sciences

Cornel Sultan of the aerospace department in the College of Engineering

Read Montague of the physics department in VTCRI

Vince Magnini of the hospitality and tourism management department in the College of Business

Matt Eick of the crop and soil environmental science department in the College of Agriculture and Life Sciences

Craig Ramey of the psychology department in VTCRI

Kray Luxbacher of the mining and minerals engineering department in the College of Engineering

Steve Gove of the management department in the College of Business

Rami Dalloul of the animal and poultry science department in the College of Agriculture and Life Sciences

Sharon Ramey of the psychology department in VTCRI

Holly Matusovich of the engineering education department in the College of Engineering

Jason Deane of the business IT department in the College of Business

Sean O’Keefe of the food science department in the College of Agriculture and Life Sciences

Masoud Agah of the electrical and computer engineering department in the College of Engineering

Pearl Chiu of the psychology department in VTCRI

David Orden of the Global Issues Initiative in ISCE

Chris Bergh of the entomology department in the College of Agriculture and Life Sciences

Adrian Sandu of the computer science department in the College of Engineering

Jason Lai of the electrical and computer engineering department in the College of Engineering

Warren Bickel of the psychology department in VTCRI

Boris Vinatzer of the plant pathology department in the College of Agriculture and Life Sciences

Wayne Scales of the electrical and computer engineering department in the College of Engineering

Jamie Tyler of the biomedical engineering department in VTCRI

Kathy Lu of the materials science and engineering department in the College of Engineering

Jay H. Williams of the human nutrition, foods, and exercise department in the College of Agriculture and Life Sciences
